IN128HDx

HD Network Projector

Part#: IN128HDx

InFocus
Collaboration That Works

Vivid projection with high-quality audio

The InFocus IN128HDx projector features high brightness, low cost, and strong sound – perfect for classrooms, offices or anywhere you need to capture your audience's attention.

This value-packed projector is easy to buy and built to perform with high contrast ratio, long-life lamp, and multiple ways to connect, including HDMI.

IN128HDx

1080p (1920 x 1080)
4000 lumens
1.15-1.5 throw ratio

Why choose the IN128HDx?

- High brightness with 4000 lumens
- High contrast ratio
- Compact and lightweight for easy portability
- Accurate and vivid color reproduction with BrilliantColor™ technology
- HDMI connectivity
- Blu-ray 3D capable (over HDMI)

High Brightness and High Contrast

The image quality of this projector will not disappoint. Get bright, clear images in any light, plus exeptional sharpness, darker blacks and whiter whites thanks to a high contrast ratio.

15,000:1

Presenters can also instantly dim the projector with the remote control to divert the audience's attention onto the presenter and extend lamp life.

3D

The IN128HDx supports multiple forms of 3D – including HDMI, Blu-Ray, 3D broadcasting, video games and PC connectivity. All your audience needs are 144Hz DLP Link 3D glasses to seamlessly synchronize with the image for an awesome 3D experience.

3D READY

Eco Blanking Saves Money

Instantly dim the screen to divert your audience's attention onto you with the Eco Blanking feature on the remote control.

Activate this feature when the projector isn't being used and lower the lamp's power usage down to 30%. This saves energy and significantly extends the life of the lamp, which saves you money.

Sound That Fills the Room

Big sound meets big images with an exceptional 10w speaker that makes sure your audience doesn't miss a moment. Closed captioning capabilities ensure everyone can learn and understand more clearly.

Networking

The IN128HDx is Crestron RoomView and AMX Device Discovery ready. Simply use the RJ45 connection to access these networking features.
