

Infoto PCL-DF350S

INFO TO PCL-DF350S

Brief Introduction

Beta 2.5

The standard portable Infoto PCL-DF350S BrilliantColor DLP projector has 3500 Ansi lumens, a contrast of 15000:1 and an SVGA 800 x 600 resolution. The lamp life is specified by the manufacturer as 10000 hours, which converts to over 13.7 years at 2 hours per day. A picture width of up to 515 cm is possible, if the picture width is smaller (we recommend max. 343 cm), rooms with residual light are also no problem. At just 30 decibels, the device is one of the quieter projectors. The model was built by Infoto in 2016 and is no longer current.
