iSinbox AC311

Brief Introduction Beta 2.5	The AC311 at a glance: The iSinbox Micro-Portable LED LCD Projector offers 1200 ANSI lumens and HDTV 1920 x 1080 resolution. Thanks to its LEDs, the projector has a light life of up to 30,000 hours, which is over 20.5 years if used for four hours a day. 1200 ANSI lumens ensure that an image width of 352 cm is possible. However, if there is room lighting, the image should be no more than 235 cm wide. The projector supports Airplay and Miracast screen mirroring, which allows high-resolution videos and surround sound to be played directly from smartphones, tablets, and PCs running Android, Windows, or iOS via Wi-Fi. In addition, thanks to the Bluetooth function, the projector can be flexibly paired with other speakers. Even 1080P video signals are no problem for the projector.
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Projector: Ansi-Lumen	1200
Projector: Contrast	-
Projector: Black Level	-
Projector: Offset	-
