Jimveo E20 Pro

Brief Introduction Beta 2.5	The E20 Pro LED LCD has 800 Ansi-Lumen, a contrast of 20000:1 and an HDTV 1920 x 1080 resolution. The lifespan of the LEDs is 120000 hours, which is over 82.2 years with a daily viewing time of 4 hours. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. 800 Ansi lumens ensure that a picture width of 287 cm is also possible. However, if room light is available, the picture should be a maximum of 191 cm wide. The model recognizes Airplay, Miracast Screen Mirroring signals, so it is possible to play videos with high resolution and surround sound directly via WLAN from a smartphone, tablet or PC (Android, Windows and iOS). Another extra is that the projector can be connected to external wireless speakers using the Bluetooth function. Playing 1080P is also no problem for the projector.
Display Type	1 x LCD TFT Panel HDTV 16/9 Liquid Crystal Display
Ansi-Lumen (Projector)	800
Contrast (Projector)	20000:1 full on/off
Black Level (Projector)	0,0400 min. Lumen
Offset	-
