

KINDERMANN KX 4000

Powerful high performance projector
for professional presentations

- 4000 ANSI lumens
- digital, electronic zoom – max. 16-fold
- electronic Keystone correction $\pm 15^\circ$
- multi-compatibility, e.g. DVI, component video
- Picture in picture function – for video conferencing

The new KX 4000 with 4000 ANSI lumens is the most powerful portable projector of the KINDERMANN range. It produces brilliant images of an excellent quality and is ideal for large projections in conference or seminar rooms.

With its multi-compatibility for computer (analogue and digital) and video (Comp.-Video, S-Video, Component Video) and its user-friendliness the KX 4000 is a true good value projector even for permanent installations.

KINDERMANN KX 4000
