

Kindermann KX 450W active

KINDERMANN KX 450W ACTIVE

The Whiteboard KX 450W active LCD has 2600 Ansi lumens, a contrast of 500:1 and a WXGA 1280 x 800 resolution. An image width of up to 518 cm is possible as the projector has 2600 Ansi lumens. However, if room light is available, the image should be max. 345 cm wide. The projector also offers a whiteboard function that makes training and presentation rooms interactive. Even 1080P video signals are no problem for the projector, which can even project Blu-rays onto the ceiling using 360° projection. The projector was launched in 2011 and is no longer sold by the manufacturer, but is still very popular in our projector database.

 3 x LCD TFT Panel
WXGA 16/10 Liquid Crystal Display

Projector	2600	Screen	1040 Lux (bei 200 cm Screen)
