

Liesegang soho 21

Brief Introduction

Beta 2.5

A brief introduction to the Liesegang soho 21. The DLP projector has an XGA 1024 x 768 resolution and a contrast of 500:1. An image width of up to 348 cm is possible, as the projector has 1600 Ansi lumens. However, if room light is available, the picture should be a maximum of 232 cm wide. On the market since 2002, the model is no longer offered by the manufacturer Liesegang. Unfortunately, we can no longer offer replacement lamps for this model, neither originals nor replicas.
