NICPOW E2 PRO

EAN/UPC:B0F2SYPLWP

Brief Introduction	The E2 PRO LED LCD has 1,500 ANSI lumens, a contrast ratio of 20,000:1, and an HDTV resolution of 1920 x 1080. Thanks to its LEDs, the projector has a light source lifespan of up to 30,000 hours?which, at four hours of use per day, amounts to over 20.5 years. Horizontal and vertical keystone correction provides flexibility during setup. An image width of up to 157 cm is possible, as the projector has 1,500 ANSI lumens. However, if there is ambient light in the room, the image should be no wider than 105 cm. The model supports AirPlay and Miracast screen mirroring, making it possible to stream high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet, or PC (Android, Windows, and iOS). In addition, thanks to its Bluetooth functionality, the projector can be easily paired with other speakers. The model is also compatible with Full HD 1080p and 4K (compressed).
Beta 2.5	
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Projector Ansi-Lumen	1500
