NICPOW RD850

Brief Introduction Beta 2.5	The standard portable RD850 LED LCD has 300 ANSI lumens, a contrast ratio of 6000:1, and HDTV 1280 x 720 resolution. Thanks to the LEDs, the projector has a light life of 65,000 hours, which is equivalent to over 44.5 years at 4 hours per day. The projector is equipped with an integrated media player, so direct playback of files is no problem. An image width of up to 176 cm is possible, as the projector has 300 ANSI lumens. However, if there is ambient light in the room, the image should be no wider than 117 cm. As the projector optionally recognizes Airplay and Miracast screen mirroring signals, it is possible to play videos from a smartphone, tablet, or PC (Android, Windows, and iOS) with high resolution and surround sound directly via Wi-Fi. Another extra feature worth mentioning is that the projector can be connected to external wireless speakers via Bluetooth. The projector can also play 1080P without any problems.
Display Type	3 x LCD TFT Panel HDTV 16/9 Liquid Crystal Display
Ansi-Lumen	Projector: 300 / Screen: 133 Lux (200 cm Screen width)
Contrast	Projector: 6000:1 full on/off / Screen: 6000:1 full on/off
Black Level	Projector: 0,0500 min. Lumen / Screen: 0,022 min. Lumen
