

Optoma H116

OPTOMA H116

The Optoma H116 standard portable 3D DLP projector has 3800 Ansi lumens, a contrast of 30000:1 and a WXGA 1280 x 800 resolution. The service life of the lamp is up to 15000 hours, which is over 20.5 years if enjoyed for two hours a day. An image width of up to 626 cm is possible, if the image width is smaller (we recommend max. 417 cm), rooms with residual light are also no problem. Furthermore, the projector can play 1080P without any problems. The operating noise of just 27 decibels makes the projection quiet. It was launched in 2019 and is no longer offered by the manufacturer Optoma.

Brief Introduction

Beta 2.5

Display Type

1 x DLP Chip

WXGA 16/10 Ti Digital Light Processing Chip

Ansi-Lumen

Projector

3800

Screen
