PT105

Unlimited Potential for Fun

Key Features

·Big-screen and bright display: 16:9 wide screen (854x480 native resolution) and 75 ANSI Lumens
·Super portable at 1.9 pounds
·Solid sound: A 1.5-Watt built-in speaker
·Excellent color and a long lifetime: Utilizes LED light source with a lifetime over 20,000 hours
·Versatile: HDMI, VGA and audio/video inputs connects to variety of sources

The easy-to-use PT105 provides portable big-screen fun when connected to game consoles, computers, video players and even hand-held devices. Project a 60-inch widescreen image onto awall or ceiling from less than 10 feet away. Instantly turns on and off and runs at a cool temperature, so it can be conveniently moved from room to room. The PT105, with its low powerconsumption, uses 80 percent less power than a 42-inch LCD television. Take it with you wherever you go and let the fun follow.
