

Optoma UHD35x

OPTOMA UHD35X

The standard Portable UHD35x 3D DLP has 3600 ANSI lumens, a contrast ratio of 1000000:1 and a UHD (4K2K) 3840 x 2160 resolution. The projector's lamp has a rated life of 10,000 hours, which would be over 13.7 years if viewed for 2 hours a day. Horizontal and vertical keystone correction makes image setup child's play. An image width of up to 610 cm is possible; if the image width is smaller (we recommend max. 407 cm), even rooms with residual light are no problem. The model is also Full HD 1080P and 4K as well as 3D compatible, meaning that all currently available Blu-ray formats can be recognized by the projector. The operating noise of only 28 decibels makes the projection quiet.
