

Optoma UHZ35ST

OPTOMA UHZ35ST

The Optoma UHZ35ST short-throw 3D laser DLP projector has 3500 Ansi lumens, a contrast of 500000:1 and a UHD (4K2K) 3840 x 2160 resolution. Due to the laser, the projector is specified with 30000 hours of light life, which is over 20.5 years if enjoyed for four hours a day. Horizontal and vertical keystone correction makes image adjustment childs play. As it is a short-throw projector, the projector can be positioned very close to the wall. For a 2 m wide image, the projector needs to be just 99 cm away from the screen. Furthermore, it is Full HD 1080P and 4K as well as 3D compatible, meaning that all Blu-ray formats currently available can be recognized by the projector. At just 30 decibels, the device is one of the quieter projectors.
