Optoma W320UST

Brief Introduction Beta 2.5	The Optoma model W320UST is a DLP projector with WXGA 1280 x 800 resolution and a contrast of 20000:1. As it is a short-throw projector, the projector can be positioned very close to the wall. For a 2 m wide image, the projector needs to be just 54 cm away from the screen. The model offers a microphone jack plug and 16W speakers, so no additional audio devices are required for presentations or training courses. Playing 1080P and 3D is also no problem for the projector. It was launched in 2015 and is no longer offered by the manufacturer Optoma, but is still a popular projector in our database.
Display Type	1 x 0,65" DLP Chip WXGA 16/10 Ti Digital Light Processing Chip
Ansi-Lumen	Projector: 4000 / Screen: 1600 Lux (bei 200 cm Screen)
