OWNKNEW GC357

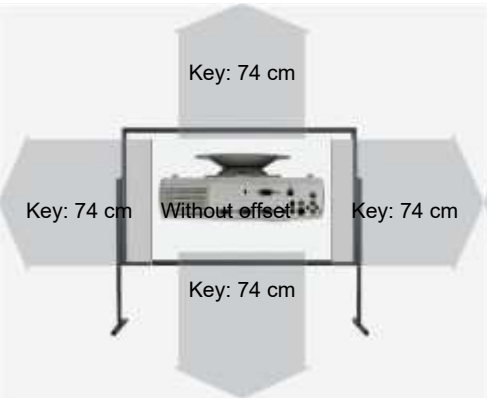

Brief Introduction Beta 2.5	The OWNKNEW GC357 LED LCD projector has 600 Ansi-Lumen, a contrast of 20000:1 and a HDTV 1920 x 1080 resolution. Manufacturer OWNKNEW specifies a service life of 65000 hours, which would be the equivalent of over 44.5 years at 4 hours a day. The horizontal and vertical keystone correction provides leeway when setting up. An image width of up to 249 cm is possible as the projector has 600 Ansi lumens. However, if there is room lighting, the picture should be a maximum of 166 cm wide. The projector has Airplay and Miracast screen mirroring support, which enables direct playback of videos in high resolution and surround sound from smartphones, tablets and PCs with Android, Windows or iOS via WLAN. In addition, thanks to the Bluetooth function, the projector can be flexibly paired with other speakers. Furthermore, the projector can play 1080P and 4K (compressed) without any problems.
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Ansi-Lumen	Projector: 600 / Screen: 267 Lux (200 cm Screen width)
