Panasonic PT DX820/L

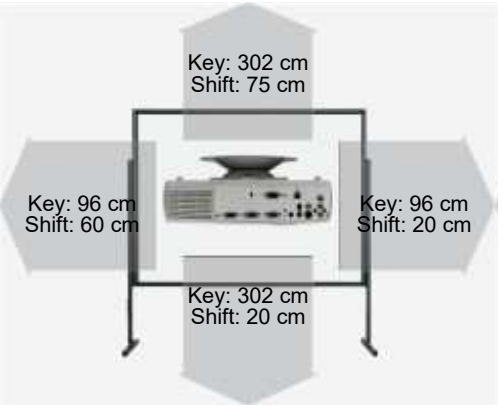

Brief Introduction Beta 2.5	With the PT DX820/L, manufacturer Panasonic offers a stationary DLP projector with XGA 1024 x 768 resolution. The manufacturer specifies a lamp life of 4000 hours, which is over 5.5 years with a daily viewing time of 2 hours. With the lens shift function, the projector can be positioned very freely. 8200 Ansi lumens ensure that a picture width of 789 cm is also possible. The projector creates rooms with residual light with a smaller image width, max. 526 cm is recommended. In the event that the image is still too small, the projector offers integrated edge blending software, which allows several projectors to project a large image together. Even 1080P playback is no problem for the projector. The operating noise of just 30 decibels makes the projection quiet. It was launched in 2015 and is no longer offered by the manufacturer Panasonic.
Display Type	1 x 0,7" DLP Chip XGA 4/3 Ti Digital Light Processing Chip
Ansi-Lumen	Projector: 8200 / Screen: 2733 Lux (bei 200 cm Screen)
Contrast	Projector: - / Screen: -
Black Level	Projector: - / Screen: -
Lens shift	Vert.: +50% -13% Hori.: +10% -30%
Resolution	XGA 1024 x 768 786.432 Pixel
