Ceiling Mounting

The standard portable Panasonic PT VW435 E/U LCD projector has 4300 Ansi lumens, a contrast of 3500:1 and a WXGA 1280 x 800 resolution. 4300 Ansi lumens ensure that a picture width of 666 cm is also possible. The projector creates rooms with residual light with a smaller image width, we recommend a maximum of 444 cm. The projector was launched in 2012 and is no longer sold by the manufacturer.
