PICO GENIE IMPACT 4.0 PLUS

The Pico Genie Impact 4.0 Plus 3D LED DLP projector has 500 Ansi lumens, a contrast of 3000:1 and a WSVGA 960 x 540 resolution. Manufacturer Pico Genie specifies a service life of 30,000 hours, which is over 20.5 years if enjoyed for four hours a day. The projector also offers an integrated media player that can be used to play files directly. Thanks to the brightness of 500 Ansi lumens, a picture width of 227 cm is possible. In room light, the picture should be max. 151 cm wide. Thanks to the built-in 10000mAH Li-Polymer (2h) battery, no power supply is required, allowing the projector to be set up quickly and flexibly. In addition, the Bluetooth option is a useful addition to the projector, especially for wireless audio transmission. Video signals 1080P and 4K (compressed) are also no problem for the projector.
