Monitor loop-through allows you to view your presentation on your desktop while you are presenting

AFFORDABLE IMPRESSIONS
All the features you need: data, video, audio, mouse and monitor loop-through at a price that won't break your budget

BRIGHT ENOUGH FOR ANY ROOM
1100 ANSI lumens for amazing projection– even with the lights on

PROXIMA ULTRALIGHT® X540 FEATURES

HIGH-PERFORMANCE TO FIT YOUR BUDGET

The Proxima UltraLight X540®, is the projector designed to deliver native XGA performance - with native resolution that matches your XGA laptop or PC - at an affordable price. It offers all the features and versatility you need to make the most of your money. The X540 puts high-resolution projection technology within easy reach.

YOU'RE IN CONTROL

Never get stuck showing incorrect or outdated material. With the X540 you're in control of your material at all times. Because it's instantly accessible on the computer, information can be corrected in real time - seconds before, or during a meeting.

FULL-FEATURED EASE OF USE

The X540 is built for ease-of-use. An intuitive icon-and-text based menu system provides graphical navigation that's instantly familiar to any PC user. Native XGA resolution and 1100 ANSI lumens allow you to project with the lights on. And the projector operates quietly, without disturbing fan noise, so your audience hears you and not your projector.

The X540 has an impressive set of features, including a zoom function for powerful emphasis, while digital keystone correction ensures that images are perfectly square, giving you the flexibility to set-up your projector anywhere. Manual zoom and focus allow quick, easy adjustment of image size, while the short-throw lens displays a large image perfectly suited for small classrooms and meeting rooms.

Best of all, at just 5.7 lbs (2.6 kg), this compact projector is travels easily or can simply stay in a dedicated room.

ULTRALIGHT X540 INCLUDES:

- Remote Control
- Carrying Case
- Lens cap
- Computer VGA cable, S-Video cable, RCA cable, USB cable, PS/2 cable
- Power cord
- Product documentation set (User Guide, Quick Start card & CD)
- Multi-language manuals
