RCA RPJ119

Brief Introduction Beta 2.5	The RPJ119 LED LCD projector from RCA has 120 Ansi lumens and a WVGA 800 x 480 resolution. The service life of the LEDs is 50,000 hours, which is over 34.2 years if enjoyed for four hours a day. As RCA specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. 120 Ansi lumens ensure that a picture width of 111 cm is also possible. However, if room light is available, the picture should be max. 74 cm wide. The model is also Full HD 1080P compatible.
