

Ricoh PJ WUL5A40ST

RICOH PJ WUL5A40ST

With the PJ WUL5A40ST, manufacturer Ricoh offers an LCD laser projector with WUXGA 1920 x 1200 resolution and a contrast of 5000000:1. Due to the laser, the projector is specified with 20000 hours of light life, which converts to over 13.7 years at 4 hours per day. As the projector has horizontal and vertical keystone correction, the projector can be set up with plenty of free space in the room. With a projection ratio of just 0.44:1, this projector never gets in the way. For a 2m wide image, the projector needs to be just 88 cm away from the screen. Even 1080P and 4K (compressed) video signals are no problem for the projector, which can even project Blu-rays onto the ceiling thanks to 360° projection.

3 x 0,64" LCD TFT Panel
WUXGA 16/9 Liquid Crystal Display

Projector	4500	Screen	2000 Lux (bei 200 cm Screen)
