

Ricoh PJ X5770

RICOH PJ X5770

The Ricoh model PJ X5770 is a DLP projector with XGA 1024 x 768 resolution and a contrast of 2000:1. Horizontal and vertical keystone correction makes image setup childs play. The projector can illuminate images up to 616 cm wide thanks to its 5000 Ansi lumens. The projector can create rooms with residual light with a smaller image width, we recommend a maximum of 411 cm. With the HDMI MHL port, the smartphone image can be transmitted to the projector in Full HD at 60 Hz by screen mirroring and the smartphone is charged at the same time. The projector can also play 1080P and 3D without any problems. The projector was launched in 2018 and is no longer sold by the manufacturer.
