Runco VX 101c

The Runco VX 101c stationary DLP projector has 800 Ansi lumens, a contrast of 500:1 according to Ansi and an SVGA 800 x 600 resolution. An image width of up to 246 cm is possible as the projector has 800 Ansi lumens. However, if room light is available, the picture should be a maximum of 164 cm wide. It was launched in 2000 and is no longer offered by the manufacturer Runco. It should also be noted that, unfortunately, there are no more replacement lamps for the projector, neither originals nor replicas.

Brief Introduction
Beta 2.5

Display Type	1 x DLP Chip SVGA 4/3 Ti Digital Light Processing Chip		
Ansi-Lumen	800	Screen	259 Lux (bei 203 cm Screen)
Contrast	500:1 nach Ansi		500:1 nach Ansi
