

Sony VPL EW295

SONY VPL EW295

With the VPL EW295, manufacturer Sony offers an LCD projector with WXGA 1280 x 800 resolution and a contrast of 3700:1. The lamp has a service life of up to 4000 hours, which is over 5.5 years if enjoyed for two hours a day. As the VPL EW295 is equipped with a microphone jack plug and 16W speakers, no additional audio system is required for presentations or training courses. The projector will be able to illuminate the 626 cm picture width well. The projector can manage rooms with residual light with a smaller image width, we would recommend a maximum of 417 cm here. It is also Full HD 1080P compatible. The projector was launched in 2014 and is no longer sold by the manufacturer.

3 x 0,75" LCD TFT Panel
