

Sony VPL PX40

SONY VPL PX40

Brief Introduction

Beta 2.5

A brief introduction to the VPL-PX40: This Sony fixed-installation LCD projector offers 3,500 ANSI lumens and an XGA resolution of 1,024 x 768. An image width of up to 515 cm is possible, as the projector has 3,500 ANSI lumens. In rooms with ambient light, the projector performs best with a narrower image width; we would recommend a maximum of 343 cm. The projector was launched in 2002 and is no longer sold by the manufacturer.
