SVIC S510

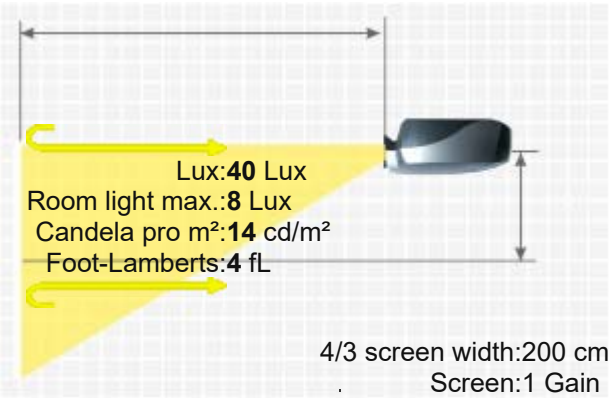

< 30 dB
Leise

Brief Introduction Beta 2.5	A brief introduction to the S510: The SVIC standard portable LCD projector offers 120 Ansi lumens, a contrast of 800:1 and a VGA 640 x 480 resolution. The lamp of the projector is specified with a lamp life of 6000 hours, which converts to over 8.2 years at 2 hours per day. As SVIC specifies the brightness of the projector in lumens, we have calculated an approximate Ansi lumen value in this case. 120 Ansi lumens ensure that a picture width of 95 cm is also possible. However, if room light is available, the picture should be a maximum of 63 cm wide. The projector is very quiet compared to others with 28 decibels of operating noise. It is no longer offered by the manufacturer SVIC.
Display Type	LCD TFT Panel VGA 4/3 Liquid Crystal Display

	Projector	Screen
Ansi-Lumen	120 2000 Lumen	40 Lux (bei 200 cm Screen)
Contrast	800:1 full on/off	800:1 full on/off
