TCL C2R

EAN/UPC:B0H9LW6G86

TCL C2R

Brief Introduction Beta 2.5	The TCL C2R LED LCD projector has 438 ANSI lumens, a contrast ratio of 2000:1, and an HDTV resolution of 1920 x 1080. It is an LED projector with a lamp life of 30,000 hours, which would equate to over 20.5 years at 4 hours of use per day. Since the projector features horizontal and vertical keystone correction, it can be set up with plenty of space around it in the room. Because TCL specifies the projector?s brightness in lumens, we have calculated an approximate ANSI lumen value in this case. An image width of up to 204 cm is possible. However, in room lighting conditions, the image should be set to a smaller size. We recommend a maximum of 136 cm. The projector supports AirPlay and Miracast screen mirroring, which allows for the direct streaming of high-resolution videos and surround sound via Wi-Fi from smartphones, tablets, and PCs running Android, Windows, or iOS. Another notable feature is that the projector?s Bluetooth function allows it to connect to external wireless speakers. Furthermore, the projector can play 1080p content without any issues. With an operating noise level of just 30 decibels, the projector operates quietly.
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Ansi-Lumen	Projector: 438 / 350 Iso Lumen — Screen: 195 Lux (200 cm Screen width)
Contrast	Projector: 2000:1 — Screen: 2000:1
