

topeby Top 2

EAN/UPC:B0H35GBVD2

Brief Introduction

Beta 2.5

Brief introduction to the topeby Top 2. The LCD LED projector has an HDTV resolution of 1920 x 1080 and a contrast ratio of 20,000:1. Thanks to its LEDs, the projector has a light source lifespan of up to 30,000 hours, which equates to over 20.5 years at 4 hours? use per day. As the projector features horizontal and vertical keystone correction, it can be set up with plenty of space around it in the room. An image width of up to 269 cm is possible, as the projector has 700 ANSI lumens. However, if there is ambient light in the room, the image should be no more than 179 cm wide. Google TV transforms the projector into a smart entertainment centre with countless functions. As the projector recognises AirPlay and Miracast screen mirroring signals, it is possible to play videos directly from a smartphone, tablet, PC (Android, Windows and iOS) directly via Wi-Fi in high resolution with surround sound. In addition, the Bluetooth capability is a useful addition to the projector, particularly for wireless audio transmission. The model is also compatible with Full HD 1080p and 4K (compressed).
