

Vivitek DX881ST

VIVITEK DX881ST

Brief Introduction

Beta 2.5

A brief introduction to the DX881ST: The Vivitek 3D BrilliantColor DLP projector offers 3300 Ansi lumens, a contrast of 15000:1 and an XGA 1024 x 768 resolution. The manufacturer specifies a lamp life of 4000 hours, which is over 5.5 years with a daily viewing time of 2 hours. As it is a short-throw projector, the projector can be placed very close to the wall. For a 2 m wide picture, the projector only needs to be 124 cm away from the screen. Playing 1080P and 3D is also no problem for the projector. The model built in 2014 is no longer offered by Vivitek.
