

# Vivitek Qumi Z1V

EAN/UPC:813097024374

VIVITEK QUMI Z1V

With the Qumi Z1V, manufacturer Vivitek offers a game-portable DLP LED projector with WVGA 854 x 480 resolution and a contrast of 10000:1. The manufacturer Vivitek specifies a service life of 30000 hours, which is over 20.5 years if enjoyed for four hours a day. The integrated media player can play files directly. An image width of up to 161 cm is possible as the projector has 250 Ansi lumens. However, if room light is available, the picture should be max. 107 cm wide. Thanks to the built-in 4000mAH battery, no power supply is required, allowing the projector to be set up quickly and flexibly. Playing 1080P is also no problem for the projector. The model built in 2019 is no longer offered by Vivitek.

1 x DLP Chip  
WVGA 16/9 Ti Digital Light Processing Chip
