

Wemax VP04

WEMAX VP04

A brief introduction to the VP04: The Wemax Standard Portable LED LCD Projector offers 625 ANSI lumens, a contrast ratio of 2500:1 and HDTV 1920 x 1080 resolution. Thanks to the LEDs, the projector has a specified light source lifetime of 30,000 hours, which would equate to over 20.5 years at 4 hours? use per day. As Wemax specifies the projector?s brightness in lumens, we have calculated an approximate ANSI lumen value in this case. 625 ANSI lumens ensure that an image width of 227 cm is possible. However, if there is ambient light in the room, the image should be no more than 151 cm wide. Thanks to Google TV, the projector can be conveniently controlled via voice commands. The projector supports AirPlay and Miracast screen mirroring, which allows high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. In addition, the Bluetooth capability is a useful addition to the projector, particularly for wireless audio transmission. The model is also compatible with Full HD 1080p and 4K (compressed). With an operating noise level of just 25 decibels, the projector runs quietly.

Brief Introduction

Beta 2.5

Display Type

1 x LCD Panel
HDTV 16/9 Liquid Crystal Display

Ansi-Lumen

625 / 500 ISO Lumen

278 Lux (200 cm Screen width)

Contrast

2500:1 full on/off

2500:1 full on/off

Black Level

0,2000 min. Lumen
