

WEMI X1AA

EAN/UPC:B0GV35LSKB

WEMI X1AA

A brief introduction to the WEMI X1AA. This short-throw LCD LED projector has an HDTV resolution of 1920 x 1080 and a contrast ratio of 10,000:1. Thanks to the LEDs, it has a lifespan of 30,000 hours, which equates to over 20.5 years if used for four hours a day. The projector is equipped with a built-in media player, so playing files directly is no problem. This projector has a throw ratio of just 0.8:1. To project a 2-metre-wide image, the projector needs to be positioned just 160 cm from the screen. The model recognises AirPlay and Miracast screen mirroring signals, so it is possible to play high-resolution videos with surround sound directly via Wi-Fi from a smartphone, tablet or PC (Android, Windows and iOS). Furthermore, thanks to its Bluetooth functionality, the projector can be easily paired with other speakers. The projector also has no trouble playing 1080p and 4K (compressed) content.
