WEMI X7

Brief Introduction Beta 2.5	The X7 LED LCD projector from WEMI has 2,000 ANSI -lumen, a contrast ratio of 18,000:1 and an HDTV resolution of 1920 x 1080. The manufacturer specifies an LED lifespan of 30,000 hours, which would equate to over 20.5 years at 4 hours? use per day. It includes a built-in media player that allows files to be played directly. Horizontal and vertical keystone correction provides flexibility when setting up. Thanks to its 2,000 ANSI lumens, the projector can effectively illuminate an image width of up to 454 cm. However, in well-lit rooms, the image width should ideally be less than 303 cm. The projector supports AirPlay and Miracast screen mirroring, enabling high-resolution videos and surround sound to be streamed directly via Wi-Fi from smartphones, tablets and PCs running Android, Windows or iOS. In addition, the Bluetooth capability is a useful addition to the projector, particularly for wireless audio transmission. Furthermore, the projector can play 1080p and 4K (compressed) content without any issues.
Display Type	1 x LCD Panel HDTV 16/9 Liquid Crystal Display
Projector / Screen	
Ansi-Lumen	2000 / 889 Lux (200 cm Screen width)
Contrast	18000:1 / 18000:1
Black Level	0,1111 min. Lumen / 0,049 min. Lumen
