Wolfgang WP08

EAN/UPC:B0HFJG9D81

Brief Introduction Beta 2.5	With the WP08, manufacturer Wolfgang offers a portable LCD LED projector for gaming with HDTV resolution of 1920 x 1080 and a contrast ratio of 1000:1. Thanks to the LEDs, the projector has a lifespan of 30,000 hours?which equates to over 20.5 years if used for four hours a day. Horizontal and vertical keystone correction provides flexibility during setup. The projector can effectively illuminate an image width of up to 305 cm. However, if there is ambient light in the room, the image width should ideally not exceed 203 cm. The projector supports AirPlay and Miracast screen mirroring, allowing you to stream high-resolution videos and surround sound directly from smartphones, tablets, and PCs running Android, Windows, or iOS via Wi-Fi. In addition, thanks to its Bluetooth functionality, the projector can be easily paired with other speakers. Furthermore, the projector can play 1080p and 4K (compressed) content without any issues.
